Super clean Fig Garden home in an excellent neighborhood on a tree lined street. This home has been recently updated with hardwood floors, a new roof, a pool, new stainless appliances, tile counter tops & backsplash, and more. The large lot has a wrap around driveway with plenty of parking for the friends and family. The home has 2 master bedrooms with attached baths on opposite ends of the home. One of the master bedrooms has its own private entrance. All of the bathrooms have been updated with pedestal sinks and tile showers. The kitchen is fantastic with newer counters, stainless appliances, and a peaceful view of the well shaded front yard. The backyard fenced pool has a larger beach area for smaller children to play.
